

Have your say on Local pharmacies and dispensaries in Cambridgeshire

Help us get it right?

The Cambridgeshire Health and Wellbeing Board has been reviewing what local pharmaceutical services are needed to help you get and use medicines or medical equipment safely. Our views about these services are written up in the Pharmaceutical Needs Assessment.

We want to know if you agree with what we have written. We are therefore asking for your feedback from 30th January 2017 to 30th April 2017.

You can give us your thoughts by completing a short questionnaire, either at your local pharmacy, GP surgery or library, or online at:
